RI BLUEPRINT FOR MLL SUCCESS

Development Overview: Objectives & Timeline

RIDE Rhode Island Department of Education

BLUEPRINT OBJECTIVES

- Create a shared vision and plan for high-quality instruction and programs for MLLs.
- Develop data- and research-informed principles, a theory of action and an implementation plan with realistic and measurable goals to meet the vision.
- Establish improvement milestones and an oversight structure to monitor implementation/student outcomes.
- Build a community that shares responsibility and accountability for the success of MLLs.

APPROACH

- Data- and research-informed
- Continuous improvement processes
- Inquiry-based, equity-focused
- Local stakeholder support
- Collaboration across the systems
- Shared responsibility, communication and accountability

DEVELOPMENT ACTIVITIES

- Recurring learning and engagement sessions
- Public forums (on-line and on-site)
- Communications (social media, website, flyers, direct mail/list servs)
- Assessment of schooling experiences (MLL shadowing and/or classroom observations)
- Input from diverse constituencies (surveys, focus groups, and/or interviews)
- Analysis of MLL demographic and performance data, including academic and ELP indicators

Timeline

| JAN / MAR 2020	APR / JUN 2020	JULY/SEPT 2020	2020-2025
